Remarks

Immaculate 3000sf 1-story home that shows like a model, on a 1/3 acre cul-de-sac lot with POOL! This 2008-built Taylor Morrison gem is being sold by the original owners, who have taken great care of their home. Interior upgrades include vinyl plank flooring, granite counters, gourmet kitchen with double wall ovens, and beautiful cabinetry. Water softener and R/O system convey. The floorplan features 10-foot ceilings throughout, a split master bedroom, office, and a large bonus room that could easily be a 4th bedroom. 3 car garage for lots of storage options, plus an RV gate. The backyard is an entertainer's dream, with a large covered patio, sparkling blue pool surrounded by pavers, and artificial grass. And the solar panels help keep the electric bills at an average of \$39/month! The 4th bedroom has direct access to a single-bay garage, ideal for guests. Beyond the interiors, the spacious backyard holds its own charm! Experience resort-style living with a covered patio, well-laid pavers, artificial turf, a fire pit, and a sparkling pool for year-round enjoyment. What's not to like? See it! Love it! Live it!
